REV. BOB MORAN
To Open Revival Series

Minister to Open Revival Service Here

A special revival meeting will be opened at the Lomita Missionary Church, 2043 Lomita Blvd. next Tuesday and will continue through Oct. 30, it was announced here yesterday by the Rev. Earl B. Leonard, pastor of the church.

The Rev. Bob Moran, who recently returned from the Hawaiian Islands where he served for several years as a missionary, will be the evangelist for the revival series. The Rev. Mr. Moran is now associated with the Azusa Bible College.

The Sunday School rally continues at the church through Nov. 13. Great interest is being continued in this contest rally for Sunday School classes which meet at 9:45 a.m. each Sunday.

Regular Bible Study classes will be resumed each Wednesday evening at the church after the revival series. The group is studying the Book of Revelations.

The Rev. Mr. Leonard will preach Sunday morning on the subject of "Preparing for a Revival." Such preparation consists of personal heart preparation, home preparation, church preparation, and community preparation, he said.

Morning worship services are held at 11 a.m. each Sunday. The topic for the evening service at 7 is, "What to Expect at a Revival."

Pastor to Talk About Seventh Commandment

The Narbonne Avenue Southern Baptist Church of Lomita has observed "Better Program Time" during the past week. The interest has been to help plan better programs in Training Union that meets each Sunday at 6:30 p.m. Every age group was represented in the week "Training Union is a family affair."

The pastor, Robert A. Wells, will speak at both the 8:30 and 10:50 a.m. worship services on Sunday, subject being on the seventh commandment in the current series of sermons, "Foundations for Happiness." This Sunday's subject will be "Is the Home on Its Way Out?"

"A nationwide magazine carried a major article in a recent issue with the suggestion 'Let's Repeal the Seventh Commandment.' The major emphasis was that one man and one woman was outdated. The loose moral ties of the American home is one of our nation's greatest dangers. It could destroy the sanctity of the home," Mr. Wells stated.

Figures just released reveal that churches cooperating with the Southern Baptist Convention, baptized 430,000 new members in 1959. There are now 31,906 churches that cooperate with the Southern Baptist Convention. Over 750 of these churches are located in California. The California growth has taken place in the past 20 years.
